RE: U.S. v. Steven Cohen, et al.
Case No. 94 C 6801

Dear Mr. Nassif and Ms. Tape:

As you know, the defendants in the above referenced action agreed that all scrap material would be vacated at the Standard Scrap/Chicago International Exporting site according to the attachment to your letter to me dated April 10, 1995. Defendants also agreed, by signing an Agreed Order, that if the areas identified in your April 10, 1995 letter are not vacated by the dates identified, the Agreed Order would be filed with the court.

Apparently, the area identified as Area #2 has not been vacated by April 31, 1995, the date set forth in your April 10th letter. Accordingly, if Area #2 is not vacated by Wednesday, May 3, 1995, U.S EPA will file the Agreed Order with the court.

Please do not hesitate to call me at (312) 886-6831 if you have any questions regarding this matter.

Sincerely,

Kurt N. Lindland
